ECPAC Competition Team and Performance Co

Thank you for your interest in the ECPAC Competition Team and Performance Co!

Our Competition Team and Performance Company is about having fun, making friends, and growing as dancers! Our teams and company are highly respected within our community and highly successful at competitions but the achievements and awards we are most proud of are:

Donating \$1000 to Breast Cancer Research Foundation

Donating \$800 to Village Community Resource Center

Kindness Award

Entertainment Award

Sportsmanship Award

Studio Spirit Award

And our many Technique Awards!

We have different levels of involvement and commitment so you can choose the program that best serves your family! On the pages that follow you will learn all about the class time commitment, financial commitment, and get an idea of what your life will "look like" while on the ECPAC Team or Company.

We are... driven

What is a Dance Competition and Convention

A dance competition is a chance for a group of dancers to perform for adjudication from a panel of professional judges. Their scores are then ranked with scores from the other dances within their age and level category. Each dance receives an award based on their adjudication score and, sometimes, a placement within their category in order of score.

All of the competitions we attend are within driving distance. Some competitions reward with trophies some with ribbons, some with cash. Depending on how the dancers place, they can qualify to compete at a national competition. We attend Nationals in either Southern California or Las Vegas at the end of June or early July.

Please note- only our Level 2 Competition Teams will attend Nationals.

ECPAC Team and Company members will also have the opportunity to attend dance conventions. A dance convention is an all-day workshop or weekend-long event where dancers have the wonderful opportunity to take classes from professional and/or famous dancers and choreographers. The conventions usually begin Saturday morning with the first class at 8:00 am and end at around 3:00 pm. That is usually 6 classes with a couple of breaks. Usually, there is a competition Sat evening. Then there are more classes Sunday starting at 8:00 am until 3:00 or 4:00 pm.

Dancers who are under the age of 7 will have a much shorter schedule.

During the convention, dancers have the opportunity to audition for scholarships to attend the following year for free or various prizes that will enhance their dance education...some prizes conventions have awarded are music video shoots, meetings/auditions with talent agents, photoshoots, free classes at professional studios in LA and dance trips to New York City.

All our conventions are within driving distance, hotel stays are optional. Only Level 2 Competition Teams are required to attend conventions but all dancers within our Competitive Program and Performance Company are invited and encouraged to attend!
